USB CHARGER

Fig: USB Charger

Approvals & Compliances

Product Details:

Product Short Name : USB CHARGER 5V/3.0A (LOW COST CHARGER)

Model number : UNIM-Charger Series

Part number/Article Number : UNIM-USB-3A

Product Description:

- USB Charger Converts 12V to 5V & Efficiently charges your Mobile , Tablets, Power bank & Gadget.

Technical Specifications:

	Typical Value	Unit
Input Voltage	12	V
Output Voltage	5	V
Output Current	3	A
Dark Current	<0,3	mA
LED Power	0.5	W
Illumination	1000	med
Operating Temp	-40 to 105	C

Features and Benefits:

- ❖ Wall Mountable
- ❖ Reverse Voltage Protected
- ❖ Over load & Short circuit protected
- ❖ EMI / EMC as per AIS004
- ❖ 1P65 — (USB Closed Condition)
- ❖ Auto Grade & Non-Auto Grade available

Typical Applications :

Suitable for Scooters :
